

EDUCONNECT LEARNING CENTER

1. Introduction

1.1 overview

Learning Centers are student centered, engaging activities which are also self-checking and self-selecting. The activities are used to focus on a set of skills and deepen the student's knowledge and abilities in that area. Students can work alone, in pairs or in small group.

1.2 Purpose

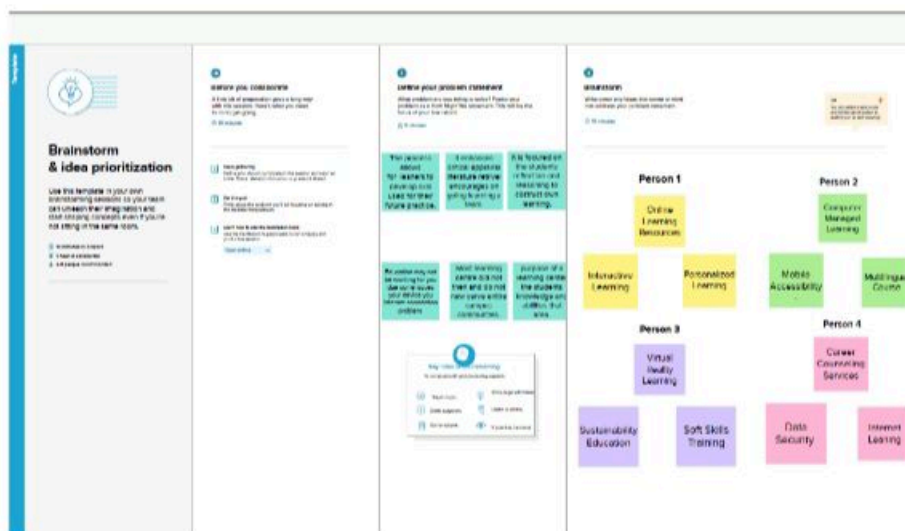

Educonnect is an innovative education focused web application that is changing the way parents, students and educators discover, research and review schools and educational programs. With educonnect, users can search for schools in their area, read review form other parents and students and view detailed information about the schools curriculum, staff and facilities.
